

## **GOD'S RELAY RACE**

### **Prayer for Our Workplaces & City**

The photo below looks like the starting line for a businessman's marathon. Well, it is sort of. It's one of the many fascinating stories from Bill High and Annika Bergen's book [The Spiritual Roots of Kansas City](#). The photo shows KC's spiritual roots extending beyond the "traditional church" as we often think of it. From KC's birthing in the early 1800's all the way to today, the book chronicles how God has impacted every aspect of our city through people from every walk of life. The photo is from 1923 and it shows 52,121 Christian businessmen who gathered in honor of Jesus Christ (the largest gathering of its kind in the history of the United States).

It got several of us wondering who in today's KC workplace is still running God's generational marathon like those men (and women) from nearly 100 years ago. Then an idea came to us...

- **Let's continue the legacy of that generation by grabbing the relay race baton extended to us and gathering Christian businesspeople to **PRAY for God to impact our workplaces and city.****

Since 2019, we've been gathering Christians from the KC marketplace to partner with God through prayer and see His "Kingdom come and will be done" in our businesses and city. This is not a big production because God is wherever two or more are gathered in His Name. And we're not promoting any church or organization. **Our only agenda is to gather and pray – for fulfillment of God's PURPOSE for you & your workplace, for our city & its people, and for our now & the future.**

If you love God-sized visions that are too big to accomplish without Him and each other, then here's a great opportunity to jump in with both feet (perhaps better said with "both knees") and join fellow workplace Christians in praying for a mighty move of God that impacts our city. Nearly 100 years ago thousands of KC workplace Christians ran with the baton in their leg of **GOD'S RELAY RACE**. And now we're grabbing the baton in this multi-generational marathon to run our leg of...**GOD'S RELAY RACE!**
